

Fall 2019 Lexington County Library GLAM Presentations  
by Lexington County Master Gardener Volunteers

Aug 13 2019, 1 PM

Swansea branch, 199 N Lawrence Av, Swansea SC 29160

*Herbs in Your Garden*

Growing your own herbs can enrich your life. Learn the basics of herb gardening with a Master Gardener who will share facts from Clemson Extension on the best practices for growing herbs in your garden.

Aug 20 2019, 1 PM

Cayce-W Cola branch, 1500 Augusta Rd, W Columbia SC 29169

*Attracting Bees to the Garden*

Planting a garden to attract pollinators? Why would you want bees in the garden? Learn from a Master Gardener, what will make your garden a winning combination for all.

Aug 27 2019, 10:45 AM

Gilbert-Summit branch, 405 Broad St, Gilbert SC 29054

*Native Plants*

Native plants are low maintenance and easier to grow than imported plants, along with the added bonus of being beneficial to our environment. Learn from a Master Gardener, the choices available and how they can improve your micro-ecosystem.

Sep 9 2019, 6 PM

Chapin branch, 129 NW Columbia Av, Chapin SC 29036

*Healthy Garden Soil*

All gardens start with the soil. Learn how to create and maintain healthy soil in your garden from a Master Gardener. The focus will be on small vegetable gardens and ornamentals. Learn about adding organic matter, Clemson's soil test analysis, and best practices for working your soil.

Sep 9 2019, 11 AM

Gaston branch, 214 S Main St, Gaston SC 29053

*Herbs in Your Garden*

Growing your own herbs can enrich your life. Learn the basics of herb gardening with a Master Gardener who will share facts from Clemson Extension on the best practices for growing herbs in your garden.

Sep 11 2019, 1 PM

Irmo branch, 6251 St Andrews Rd, Columbia SC 29212

*Gardening for the Birds*

Bird feeders are not the only attraction to a garden. You can do more for our feathered friends when planting plants, shrubs, and trees. A Master Gardener will share some of the best practices for attracting birds to your garden.

Sep 16 2019, 1 PM

Lexington Main branch, 5440 Augusta Rd, Lexington SC 29072

*Herbs in Your Garden*

Growing your own herbs can enrich your life. Learn the basics of herb gardening with a Master Gardener who will share facts from Clemson Extension on the best practices for growing herbs in your garden.

Sep 17 2019, 1 PM

Cayce- W Columbia branch, 1500 Augusta Rd, W Cola SC 29169

*Azaleas*

Azaleas are everywhere in the Midlands but what are the best practices for growing azaleas? Come and hear from a Master Gardener, what you can do to grow these springtime gems of the shade.

Oct 2 2019, 11 AM

Chapin branch, 129 NW Columbia Av, Chapin SC 29036

*Healthy Garden Soil*

All gardens start with the soil. Learn how to create and maintain healthy soil in your garden from a Master Gardener. The focus will be on small vegetable gardens and ornamentals. Learn about adding organic matter, Clemson's soil test analysis, and best practices for working your soil.

Oct 7 2019, 1 PM

Gaston branch, 214 S Main St, Gaston SC 29053

*Attracting Bees to the Garden*
