

Spring 2020 Lexington Co Library GLAM Presentations
by Lexington County Master Gardener Volunteers
all programs are free, open to the public, no reservation required

ALL APRIL CLASSES HAVE BEEN CANCELLED

Jan 29 2020, 1 PM

Irmo branch, 6251 St Andrews Rd, Columbia SC 29212

For the Love of Roses

Roses are considered difficult to grow. However, Master Gardeners take the mystery out of growing beautiful roses for your Midlands garden. Learn about the best practices for growing beautiful, fragrant roses.

Feb 10 2020, 1 PM

Lexington Main branch, 5440 Augusta Rd, Lexington SC 29072

Adaptive Gardening

An adaptive or enabled garden is designed with accessibility in mind. Many gardens are off limits to those who are wheelchair bound or have difficulty bending or kneeling. Learn techniques to help you to return your garden.

Feb 11 2020, 11 AM

Batesburg-Leesville branch, 203 Armory St, Batesburg SC 29006

Butterfly Gardening

A bonus to having a beautiful garden is the butterflies it attracts. In this program, Master Gardeners will explain how to attract more delightful butterflies by choosing the right plants.

Feb 25 2020, 1 PM

Swansea branch, 199 N Lawrence Av, Swansea SC 29160

Azaleas

Azaleas are everywhere in the Midlands but what are the best practices for growing azaleas? Come and learn from a Master Gardener, what you can do to grow these springtime gems of the shade.

Mar 4 2020, 11 AM

Chapin branch, 129 NW Columbia Av, Chapin SC 29036

Native Plants

Native plants are easier to grow than imported plants, along with the added bonus of being beneficial to our environment. Learn about the choices available and how they can improve your micro-ecosystem.

Mar 10 2020, 1 PM

Cayce-W Cola branch, 1500 Augusta Rd, W Columbia SC 29169

Fruit in the Garden

Planning to grow edible fruit in your home garden? Learn from Master Gardeners which are the best fruits grown in our area. Learn the tried and true performers with simple guidelines.

Mar 16 2020, 1 PM

Lexington Main branch, 5440 Augusta Rd, Lexington SC 29072

Composting

Come learn the recipe to make a perfect and natural soil amendment for your garden. Food scraps and yard waste can be recycled to make what gardeners call Black Gold for your plants!

Mar 17 2020, 10:45 AM

Gilbert-Summit branch, 405 Broad St, Gilbert SC 29054

Warm Season Vegetables

What to grow and how to grow vegetables in warm temperatures will be presented. Learn how to plant heirloom vegetables, container vegetable garden tricks, best time to plant, plus more.

Mar 18 2020, 1 PM
